Take Control of Your Maintenance Budget

Drive down unplanned repair expenses, and reduce the duration of unscheduled downtime events by extending your warranty coverage.

An Extended Warranty provides targeted coverage of repairable Allen-Bradley electrical equipment. The warranty extends the standard, one-year Rockwell Automation equipment warranty on an annual basis for up to an additional four years. This service can be ordered anytime within the original warranty of the new and/or remanufactured product. An Extended Warranty is backed by our remanufacturing and exchange services.

You can purchase an Extended Warranty as a standalone offering, or bundle it with any offering from Rockwell Automation Services & Support. An extended warranty can become an integral part of your maintenance strategy, providing valuable protection and peace of mind.
